2010 Leadership in Oil & Gas (Houston)

Event Overview

As companies navigate a market jolted by oil price fluctuations, industry consolidation and new entrants to the industry, Argyle Executive Forum presents its 2010 Leadership in Oil & Gas (Houston). The Forum, to take place in Houston, will bring together 100-115 CEOs and board members of public and private large cap and mid cap oil and gas corporations, complementary areas of executive leadership, select advisory firms, and select founders / senior managing partners of investment firms.

Please note that the limited seating for members of the advisory community is offered first to those that are supporting the event as sponsors. This event is by invitation only, and an invitation code is required. This event is by invitation only, and an invitation code is required.
